Word from the Chair

Happy Easter everybody, I hope you had a lovely holiday and were able to enjoy some chocolate – although not too much as we have been told recently!!

It was good to see members at our Annual General Meeting at the Leas Cliff Hall in Folkestone on 19th March, but I am sorry to say that it was rather disappointing that more of you were not able to attend.

We had a very enjoyable day and our speakers were excellent; in particular our own Yolanda Barker from Singleton WI who told us about Living Beyond Limits – her life with Multiple Sclerosis – she was truly inspirational, and we all came away with a better understanding of the challenges she faces and overcomes.

There were also some very good shopping opportunities! We have some lovely photographs which we hope to share with you in the East Kent News and on our facebook page. Thank you to those members who have already shared their photos with us.

Prior to the meeting we were asked two questions, one about costing for the AGM which Elizabeth answered, and the second, whether we had considered alternative locations for the AGM in the future. I was able to explain that the Trustees have planned a review of the AGM, which will include other venues, and that this will take place soon, we'll keep you updated. One of our main problems is to find a venue in a place that is reasonably easy to reach from all parts of the Federation, is large enough, accessible, has parking and, of course, is not too expensive – piece of cake. If anyone has any suggestions, please do contact the office.

The new board of trustees was introduced at the end of the meeting, and you will be able to see who they are in the magazine.

It is a time for looking forward, the sub-committees have been planning things they hope you will enjoy, with more to come, do take a look in the magazine to see what we have in store for you and come along and have some fun.

If you would like to observe the workings of a committee, or indeed the board of trustees, please contact the office for more information

OUTING TO BETH CHATTO GARDENS Emstead Market, Nr Colchester, Essex

Come and join us with a visit to an informal collection of historically significant gardens, with National Heritage Grade II listing. The ecological gardens were created by plantswoman Beth Chatto in 1960 from the gravel soil and bogs of the disused fruit farm belonging to her husband. There are five main areas of the garden, all dealing with challenging soils and aspects and showing what becomes possible when you work with nature rather than against it.

FEDERATION AGM

19 March 2024

On Tuesday 325 women and guests arrived at the Leas Cliff Hall in Folkestone hoping for a day filled with information, entertainment, laughter and meeting up with some old friends, and they were not disappointed.

Carol Evans, the Federation Chairman opened the meeting by welcoming everyone, including the Mayor of Folkestone, Belinda Walker. After a rousing rendition of Jerusalem, Carol told the members that although sadly we have had to suspend 2 WIs we have formed 3 plus there are 2 more in the pipeline. Good news indeed.

Elizabeth Lansman, the Federation Treasurer, then talked through and explained the Federation Finances. She explained that both the Federation Office and the Trustees are trying very hard to cut costs but we still have a deficit although it has reduced slightly.

Our first speaker was Miriam Ellis from Catching Lives. Miriam gave a detailed talk on the work of the Canterbury based Charity which supports people who are sleeping rough and the hidden homeless in East Kent. A very moving talk.

The next speaker was Yolanda Barker from Singleton W.I. Yolanda gave us a moving and impactful talk on her Multiple sclerosis diagnosis and how she has lived and coped with the disease in her everyday life and how she has managed to live life to the full.

After lunch the guest speaker was Amanda Tooms. Amanda started her career as a professional dancer and teacher but went on to become a Councillor, a hypnotherapist and a psychotherapist. She shared some of her career highlights, transitions and poignant turning points. A very inspirational talk.

Carol then thanked everyone who had helped to make the day a success. The raffle was drawn and the National anthem sung

A very enjoyable day, Sheila Spiers Vice Chairman

At the AGM at the Leas Cliff Hall, Folkestone on 19th March we were delighted to make the following awards: -

A certificate celebrating 100 years was presented to Goodnestone WI – a magnificent achievement.

Certificates celebrating 75 years were presented to Borden WI and Chartham WI, congratulations to them both.

The Wigfall cup is given annually to the WI that has the highest number of new members and was presented to Dymchurch Synners with a 57% increase in membership.

The Rose Bowl is awarded to a WI member or group of members, who have given considerable service to the WI movement, this year's recipient was Rosemary Small of Margate WI, she was nominated as their unsung hero. She is the first person to quietly offer support to people, recognises the importance of social interaction, volunteers to help with things such as the regular WI monthly litter pick and strives to bring new and exciting ideas to the committee. Congratulations Rosemary, you are an example to us all.

The Achiever's cup is awarded to a member who has gained success in any form of learning, and this was awarded to Ann Matthews of Deal Goodwins WI who successfully campaigned for the restoration of blood tests to be taken at Deal Victoria hospital so that people do not have to make difficult/impossible journeys to have a blood test.

The winner of the Joan Boucher Cup for writing was Kath Tuck of Minster-in-Sheppey WI, her winning entry was published in the February edition of East Kent News.

The winner of the photographic competition entitled 'Water' was Teresa Burgess of Becket WI and the winner of the Public Affairs 'Rivers' photographic competition linked to the WI campaign on clean rivers for people and wildlife was Elaine Mordaunt of Kingsdown and Ringwould WI.

Treasurer's Chat

For those of you who missed our AGM or who weren't represented by a delegate can I remind you that the Federation has come to the end of our first-year banking with Lloyds and consequently now have to pay bank charges.

Electronic payments remain free ie no charge.

Any cheque of any amount paid into or out of our account is charged at £0.85p. Whilst this may not seem to be much we paid 168 cheques into our account just in March. I appreciate that a lot of invoices needed to be paid recently - tickets for the AGM, pooling of fares and insurance but those WIs who wrote one cheque to cover all three invoices cost us £0.85 instead of £2.55 saving us £1.70. Now I appreciate this doesn't seem much, but we have 100 WIs so bank charges soon mount up.

Please can we ask that you write on the back of the cheque which invoices it is covering and for what eg. Literary Lunch Invoice # 6666 £15, Spring Garden Day invoice #7676 £14, Treasurer Training Invoice #8777 £10 total £39. Not only do we save money, but we save precious time as each cheque has to be recorded and paid into the bank. If we all do our bit we can help keep costs down.

We have been asked about the use of card machines for taking subscriptions. Firstly, check the terms and conditions of your provider – some specifically state that they cannot process subscriptions.

As charges will be incurred WI members must be asked if they consider this to be a legitimate use of funds and vote whether to go ahead. If members agree the charges are recorded as bank charges. Of course, the easiest way is for members to pay direct into the WI bank account but for those who prefer not to do online banking card payments work well, saving the treasurer time.

News from around the Federation

As the sun rises on a beautifully cold and blustery and fabulous International Women's Day , two members of **Hythe Bay WI** joined a group of women on Hythe Beach and braved a slippery and choppy dip in the sea. We can't say we swam as the waves were too high for novice sea swimmers like us but the intention to join with other women , be proud of showing up , baring our bodies and braving the chilly waters was all we needed to do . Surrounded by the warmth and encouragement of every other woman, it demonstrated how we can all come together and in doing so be supported and encouraged by others. After our dip , some brave ladies having done the full swim gave out coffee, hot chocolate, cakes and the feeling of coming together made us feel so happy and thankful that our strength and resilience of being a woman got us through. #internationalwomensday

St Peters Village WI

Some of our members who made Easter and spring wreaths at our monthly gardening club.

In February **St Margarets-at-Cliffe** enjoyed a lovely early Spring Snow Drop Walk at Goodnestone Park, followed by lunch in the Park's restaurant. Plus photos.

Garlinge WI recently enjoyed a guided tour of Canterbury Cathedral and were privileged to be 'accompanied' by the choir in fine voice.

Ladies from **Brenzett & District WI** enjoying a Theatre Group Lunch at our local Turkish Restaurant.

South Street WI February meeting was on Valentines day, so we had a love themed craft afternoon. Members made heart shaped lavender bags, a beaded bracelet, a paper gift box, a heart card or painted pebbles to give away. We had a very enjoyable afternoon chatting and making.

At its March meeting **Woodchurch WI** celebrated its 97th birthday. Local busker "Rainbow Pete" led a sing-along and soon had our feet tapping with music from Richard Rogers to Cliff Richard and from folk to the Beatles.

Coffee and walnut cakes plus a lemon sponge with wine and nibbles were enjoyed by all.

Once again the competition was well supported, this month's letter being "S". Amongst the entries were "Sugar and Spice", a handmade seal pin cushion and shoes, however a knitted duo of Sooty and Sweep, came first, a Spring Basket second, and a Scottish piper was third. An Easter themed raffle concluded the evening.

Broadstairs WI Annual Lunch

It can't possibly be that time of year again? It was! President Tracey Robinson welcomed 64 members to the Yarrow Hotel, Broadstairs, where we ate an excellent lunch beautifully prepared and served by the Catering and Hospitality staff. Although the table quizzes taxed our brains, we all had fun trying to guess the answers and two tables were declared joint winners and were presented with chocolates. A very entertaining and enjoyable few hours on a wintery Tuesday.

Stubbs Cross WI celebrated their 59th birthday with a jacket potato supper, followed by a birthday cake. The cake was cut by long time member and previous President Pauline Janman.

ENVIRONMENT & NATURAL HISTORY GROUP

Our year starts with a walk around Kingsdown on **Wednesday 24th April**, where we will cover the seashore and woods in this unspoiled village. On **May 15th** we have a guided visit to Stodmarsh Nature Reserve. Prior booking is required for each event. The Programme for the whole year is available from: janet.a.adamson@btinternet.com or phone: **01304 784267**. Annual membership of £5.00 can be paid at the first visit.
