

## **A WORD FROM OUR CHAIRMAN**

Happy New Year to you all. I was thinking about what to write this month and started wondering about Resolutions – did you make some for the New Year? I did not, but I read something recently that made me think that I should take ‘Be Kind’ as my guide for the year, and beyond. At times of stress and uncertainty it is easy to forget to be kind to ourselves, others and the planet.

Being kind is reflected in so many of our campaigns, Link Together to alleviate loneliness, Make Time for Mental Health, Make a Match, and Modern Slavery – being kind to others; Plastic Soup and Climate Change - being kind to our planet, are just a few. February 14<sup>th</sup> is when we are asked to ‘Show the Love’ for our planet, and we look forward to hearing what you are doing to mark this day.

You can find out more about campaigns and how to support them on MyWI together with craft projects, recipes, online learning and so much more. If you haven’t tried it, yet don’t delay; any problems accessing it please contact the Federation office for assistance.

If you haven’t already done so, your Resolution selection should be given to your secretary so that she can send them to the office.

Finally, check out the varied events being organised by our busy sub-committees and come along and join us for some of them.

Why not think about joining the Federation Facebook page where you will find details of events, information and you can see what other WIs are getting up to? If you need any help with this, please contact the Federation office.

***Carol Evans, Federation Chairman***

## **THOUGHTS FROM THE TREASURER**

Thankfully as I write not all the doom and gloom predicted before Christmas has materialised. The lights are still on and there is food in the shops, although I heard this morning that three coal fired power stations are being 'warmed up' in case of increased demand due to the cold weather.

We are still busy with opening a new account with Lloyds Bank, unfortunately they have not delivered the same standard of service I experienced when dealing with them during lockdown. I have now registered a complaint so watch this space.

You may ask why we are changing banks? We need to open new accounts as part of the change of charitable status to a CIO and we need a bank which offers 'two person authorisation' with online banking, ☺ the new account will be open soon.

Subscriptions will be due from 1 April, don't forget that WIs can reduce the amount the WI charges if all the members agree. The Federation and NFWI portions are fixed by NFWI and cannot be changed. The breakdown of subs and the pro-rata rates are on <https://mywi.thewi.org.uk/essential-information/subscription-rates>.

If you pay sufficient income tax or capital gains tax you can Gift-Aid your subscription. The rules have changed and now gift aid can be claimed at all three levels of the WI. This means your WI, the Federation and NFWI will benefit. Please speaker to your WI treasurer or download the form from <https://mywi.thewi.org.uk/running-your-wi/wi-finances/gift-aid>.

## MURIEL FARQUHARSON JENNINGS

17<sup>th</sup> February 1931 to 30<sup>th</sup> November 2022

As a number of you may have heard on 30<sup>th</sup> November 2022 Muriel Farquharson Jennings sadly died. By the early 1990s Muriel had been a member of the WI and involved in the Federation for many years. She had been on the Executive Committee (now known as the Board of Trustees) as Federation Vice Chairman and Treasurer. Muriel had also been a VCO (Voluntary County Officer) which then became a “WI Adviser”. In 1976 through her contacts with the city Muriel was involved with the purchase of the WI office in Beer Cart Lane. To everyone’s surprise the WI offer of £9,000 was accepted, it having been on the market originally for £18,000! Muriel encouraged the members to raise the purchase money and also money for renovation as the building was very dilapidated.

In her capacity as a WI Adviser she visited most of the WIs in the Federation and many will remember her at their WI’s formation.

She returned as a member of the Board in November 2016 and remained a Trustee until her retirement in March 2018.

For many members Muriel was the WI. Her knowledge, generosity and good service were legendary and much appreciated. In Muriel the WI values of Truth, Fellowship, Tolerance and Justice were in evidence at all time. We will truly miss her.

## GREEN HEARTS DAY WI CAMPAIGN

Just on fifteen years ago The Climate Coalition was formed to promote a cleaner, greener future for the UK and the world. What better day to adopt for this love of our planet than St, Valentine's Day, with a green heart as its symbol. #showthelove

There are now over one hundred and thirty organisations in the Coalition, from Action Aid to The Zoological Society of London including WWF, RSPB, National Trust, UNICEF and the WI. Plus in excess of two million individual members.

Now soaring energy bills, ever increasing extreme weather and threats to the natural world are leaving our communities at risk and paying the price. Action is needed, but ladies, our small steps can make a big difference.

So we ask you to join the WI Green Hearts Campaign this February, it's not too late, make green heart badges and distribute them, send one to your local MP and ask him to be photographed and share it on Social Media, yarn bomb your community with Green Hearts. Get your local school involved in displaying pictures of endangered animals. Top your post boxes with green hearts. Given time arrange a local fun hunt for hidden "green treasures", dance around a may-pole, open your WI for green tea, coffee and cakes, invite your Local Council, Mayor and MP to your event. Talk to local clubs, such as the Scouts, Over 60's Clubs to see if they will join you. You know what you do best.

## **SHEPHERDSWELL WI**

January 2022 was the 100<sup>th</sup> birthday of our WI. To commemorate our birthday year, we have held a number of celebratory events, produced a scrapbook to preserve our memories of 2022 and researched our history.

The scrapbook that we have produced consists of two halves. The first is a chronological record of the year captured through photos, memorabilia, parish magazine articles and Facebook posts. It not only includes the events and activities carried out to commemorate our 100<sup>th</sup> birthday, but also a record of our regular monthly meetings, varied programme, subgroups, community contributions and outings. The second half contains profiles of each of our members. It shows what a diverse group of women we are. Our ages range from 51 to 91, with some ladies having been members for more than 45 years. The scrapbook provides a snapshot of today's social history for posterity.

We also decided to research our past WI history. Very little was known of our early years as all of our records from the 1920s and early 30s seem to have been destroyed. With thanks to the Federation Trustees and the staff at the office we were allowed to examine the records they hold. However, there was nothing in the Federation records that wasn't actually in our own records. It was the newspaper archives that gave us information prior to 1934 when our records started.

We have gathered the names of all our presidents. Their backgrounds give an insight into the social history of the time. At first the women were referred to by their husband's name e.g. Joan Smith as Mrs. H. Smith (Henry), and lived in large houses with servants. Many had moved into the area from other parts of Britain – Ireland, Wales, Yorkshire and the Greater London area. Only two, we have found so far, were born and/or lived most of their lives in the Shepherdswell area.

Many members have helped with the history and it has been fascinating to discover the interests and activities of the past, some so different from those today and yet others still being carried on. A fabulous display of WI memorabilia was put together for the Big History Day, a yearly event run by the Shepherdswell & Coldred History Society, and a talk given at this event by one of our members on 100 Years of the WI in Shepherdswell.

We have now come to the end of our 100<sup>th</sup> birthday year. Much has been achieved but we will continue to try to complete the gaps in our knowledge that remain of the women who have carried this WI through the last 100 years.

***Karen Jenner, Shepherdswell WI***
